## General Comment

Re: Department of Labor - RIN 1210-AB32

As a Financial Advisor whose business is to help individuals and families reach their retirement goals, satisfy their income needs, and provide security in the waning years of life, I find the time allotted to review the DOL Fiduciary Rule is insufficient.

I am requesting additional time for review to 120 days to analyze how this rule will impact my clients and business practices.

A thorough and thoughtful discussion on the potential impacts of this rule is necessary to do what is best for our clients.
